APRIL 2000

WELCOME to SHACKLE DAY MkIV, the Quarter Finals of the Lindenberg and a taste of some friendly mid autumn weather.

DONOR NEIL, one of the Quarter Finalists, will be hoping to make it to the first tee - rather than being strapped into the window seat of an overseas business trip. We hope to see him in the Shed, complete with trophies.

CATCH, back on deck after a 12 year spell, opened his account by winning the visitors trophy in February with 40 points off 30. Upon renewal of his membership last month he was endowed with a Lizards badge, a reduced handicap of 28 and a pat on the head. He proceeded in glee with his buddies of old to the 1st tee - and, without any semblance of ado, promptly ripped the carpet, from beneath the flashboards and the odd shoe, from beneath the feet of his fellow members, by flashing around the course in 10 under par! One suggestion was that his next mention in dispatches should be CATCH 22.
