

# FLAT OUT LIKE

JUNE 2000

WELCOME to DAVID GILCHRIST'S VICE-PRESIDENTS DAY; the LINDENBERG FINAL; FATHER and SON DAY, and the last golfing fixture on the current calendar.

DAVID held the position of V.P. in 1987 and went on to be President in 1988 - a year deemed to be financially unfriendly for presidents of social golf clubs, small businesses, foreign countries or any organisation dependent on a durable dollar drip. He kept us on the fairways and the club was gaining momentum at the end of his tenure. he would not be confronted with the same bleak aspect if he was to take up the gavel again.

PRESIDENTS' DAY, with 22 members and 6 visitors, produced the following results:

LIZARDS 1st Noel Quinlan 40 points off 22 handicap

LIZARDS 2nd Andy Warner 37 points off 13 handicap

VISITORS 1st Geoff Catchpole 42 points off 30 handicap

VISITORS 2nd Roy Donald 37 points off 18 handicap

NOEL QUINLAN racked up 4 visitors prizes in rapid succession, prior to joining the Lizards, then went off the boil for 15 months before winning his first members trophy. Congratulations Noel.

AVID CALLEIJA'S visitors handicap has been reduced by 23 shots over the last 8 months. Following the most recent cut of 10 strokes, he carded 36 points and missed the runners-up prize by one shot!

#### LINDEBERG SEMI FINAL RESULTS:

John O'Meara def Neil Shackle 3 and 2

Bill Epps def Glen Castle 3 and 1

With the final round to play, all the favourites, hot shots and dark horses have knocked themselves out, leaving two players who are usually early bystanders in the 22 year old event.

It will be a change to see a new name on the trophy. The Best of Luck to both contestants!

THE HANDICAPPERS advise that some of the score cards handed in are an illegible mess - rendering them useless for the scratch and handicap eclectic annual competitions, as well as the monthly stableford event. To overcome this problem, the PLAYER should check his card, when the marker presents it to him at the end of the game. If the player can't read his score for each hole, he should assist the marker to fill out a new card. It is up to the player to provide the handicapper with a legible card.

THE ANNUAL GENERAL MEETING will be conducted in the Scores Bar at the Dee Why RSL Club on Tuesday 4th July, 6.30 pm for 7.30pm. The Lizards Club will provide the members main meal. Entree and drinks will be at the members expense. Visitors are welcome, however they have to pay for their own food and drinks. Don't miss out on this night, it should be the highlight of the millennium.

Good Golfing,.....Bill Epps, Editor
