JANUARY 2001

WELCOME to CAPTAIN/HANDICAPPERS DAY. Manfred, President in 98, inherited the responsibilities of Capt., Hcp., from Andy Warner LM in 99 and, ably assisted by Col Lacey, is midway through the second term of computerising our capabilities. During his 18 months of captaincy, only 3 players have won on two occasions. Col, voted in as Vice-President at the last AGM, carried on as Assistant-Handicapper for good measure. Well done to these dedicated Lizards.

FRANK VAN HEYNINGAN, with 4 months membership under his belt, was moved to greater deeds when the Dawson Carroll Cup and accompanying Chivas Regal were placed on display. In an all out effort to give it a good shake, he surpassed his personal best, including a nearest-the-pin and long drive, to hold off a determined Hart Schwarz by one shot. Congratulations Frank - you could not have picked a better day to celebrate your first grand slam at Lizards.

VISITOR DENNIS CASTLE had a sizzling 41 pointer to come in ahead of Craig Hancock. The last time Dennis earned a mention was when he qualified as Bradman with 21 points in May 99.

IAN SIMPSON, with a best front nine and nearest-the-pin, approached the pay window for the first time since May 98.

MICHAEL HARRISON, in a demonstration of skill and power, scooped up two nearest-the-pins and long drive for low markers.

DAWSON CARROLL, fresh from Ireland and welcomed in the December FOL with a "special red carpet" rather than the usual roll of axminister, was on hand to present his trophy to the gleeful winner.

FINES, some were

Garry Bird	publishing the FOL in the colours of a defunct football team.
Wal Hill	enjoying a mug of hot chocolate with raisin toast prior to stepping on to the first tee.
Phill Peddar	boasting of his boat fishing prowess, but not supplying any fish.
Roy Donald	credit fine - donating a bundle of tees, markers and green repairers for Lizard consumption.
Roy Donald	wiping his prawn flavoured hands on the back of Stretch's shirt.
Stretch	inviting his father, Dennis, to play golf to ensure a lift home and not having to worry about having a few beers to wash down his lavish Christmas lunch

THE CHRISTMAS LUNCH, laden with ham off the bone and prawns to spare, followed by the distribution of presents to all contenders, rounded of a most enjoyable day.

SPARE A THOUGHT for the GRIZZ - It is the second anniversary of his untimely demise.

NEXT MONTH is FOUNDATION - LIFE MEMBERS DAY. It should promote an array of trophies, as there are 5 Life Members attending each match.
