JUNE 2002

WELCOME to VICE-PRESIDENTS DAY; THE GRAND FINALE of the LINDENBERG; FATHER and SON DAY and the last chance to score some vital points in the Club CHAMPIONSHIP.

V.P Neil WINTERTON, the only new face on the Committee these past 12 months, is doing a sterling job - doing all the spadework, as well as applying the finishing touches to the recent away from home trips, is an example of his keen desire to keep life easy for us Lizards.

RAFFLE #9 Michael Harrison

MANFRED, our hardworking Captain/Hept., won the day! - everyone should get a free dinner. Last time he broke the tape was September 2000. His most remarkable victory was May 1999, when he beat Michael Harrison by 2 points. Manfred's score was 35 points - the lowest winning result in living memory.

DEANIS CASTLE notched up his second 2nd place since joining in April 01.

PETER MC KINN, on his first appearance in April, scooped the visitors trophy with 43 points. Suffering a reduction of 5 shots he returned last month - and scooped the visitors trophy with 43 points! Congratulations Peter - if you can come up with another 43 today, your dinner will be served in an embossed Lizards glass - and you can keep the glass.

LINDENBERG Semi-Finals results:

Neil Winterton	def	Jim Small	4 and 3
Michael Harrison	def	Chris Mooney	1 up

The Harrison/Mooney encounter was a cliff hanger

Chris won the first hole and Michael squared the match by winning the second. This pattern of play persisted and, by the time they teed up on the 18th, Chris had been 1 up 8 times, Michael had never been in front, the match was square and the elusive pin was at the back of the green.

Michael's tee shot lobbed on the green 28 ft short of the hole. Chris followed suit - his long putt lipped the cup and rolled 3 ft by. Michael thumped his ball to within 18 inches and knocked it in. Chris missed his 3 footer. What a match!

Congratulations to all four of the semi-finalists.

ALL EYES will be on today's Grand Final of the Lindenberg. Daniel Leadbetter and Butch Harmon agree that Michael Harrison would be a good place bet.

JIM SMALL is not making his presence felt in the Shed this morning - if all went according to plan, he entered the Mater Hospital on Wednesday for reconstruction surgery to both knees - a major commitment. By next weekend he should be on his way to a hospital closer to the family residence for a couple of weeks, then home for a beer and a lengthy period of rehabilitation. We wish him well - and hope he doesn't forget about the Blue Chair.

THE FATHER and SON ANNUAL TROPHY is up for grabs. Likely contenders could come from any of these stables - Della, Mooney, O'Meara, Schwarz and the four Castles. Should a grandfather bring his sons, step-sons and their sons and

then throws in his sons-in-law, he is deemed to be playing conjointly with any one of them. A boxed bet on the Castles could ruin big bikkies.

CHAMPIONSHIP POINTS prior to hit off today stand at.

Manfred Wagner	94
Michael Harrison	87
John O'Meara	86
Neil Wintersten	78
Michael Morgan	76
Chris Mooney	76

John O'Meara could become Club Champion if he wins today (100), Michael Harrison comes in 3rd (99), and Manfred stays at home (94).

ANNUAL SUBS fall due today. Members \$10. Country Members \$5.

THE AGM is set down for 6pm Tuesday 2nd ^{July} ~~June~~ at the Deelwhy RSL. Listen for the fine print at today's meeting

NEXT MONTH is EPPS/MEREDITH DAY and the first match in our 57th year. A good day to bring a visitor or two.

Good Golfing Bill Epps, Editor.
