WELCOME to TREASURER, LIFE MEMBER, GORDON DONALD'S POSTIE DAY Mk1. An ambiguous fanfare which could suggest that it is Gordon Donalds first donation to Lizards - it is not - his inaugural donation was a tea set, made some 38 years ago, when he came off the waiting list and donned a Lizard Badge. Since then there has been a multiplicity of donations for specific events as well as GD Donor Days. This is Postie's first POSTIE DAY. Hats off to Gordon - who gives almost as much time to our comfort and welfare as he does his chooks.

DAVID RAYNOR MEMORIAL DAY, with 17 Lizards and 2 visitors, produced the following results:

LIZARDS 1 st	David Gilchrist	17	41 points
LIZARDS 2 nd	Michael Harrison	7	38 points
VISITORS 1 st	Damien Poder	27	31 points

BRADMAN	LIZARDS	Manfred Wagner	22	27 points
	VISITORS	Allan Pöder	28	29 points

THE DE BRIEFING MEETING kicked off at 1.17pm, the Lizard was given a drink, the visitors were welcomed, there were NO Airies, Gordon Jendel was wished a happy 81st birthday, Jim Small won the raffle and the fine tin, issued to David Gilchrist, was retracted and put to better use.

DAVID GILCHRIST, looking more relaxed of late, fired a round of 5 under his handicap to break the tape for the first time in 15 months.

MICHAEL HARRISON rates plenty of mention in the long drive/nearest the pin categories but is usually looking down the wrong of the telescope when it comes to monthly trophies. In 2000, one of his most recent wins, he broke through the barrier with a round 3 under the card! The following month he completed the course in par - and came second.

ALLAN and DAMIEN PÖDER dredged the visitors pool, without fear of reductions to their handicaps.

FINES, some were:

Hart

Manfred

Jim Small

bringing a change of clothes in case of rain, in total disregard for our handicapping tradition, did give his opponent in the Lindenberg 1 shot back and took one off himself, causing our esteemed Chief Doherty extreme discomfort by not bringing the windscreen for his golf cart.

THE TEA LADY and WAL HILL are of the opinion that Jim Small, Andrew Warner, Michael Morgan and Garry Bird will be hard to beat.

MAY THE FORET be with all the contestants and the elements pave the way to a pleasant 18 holes of unarmed combat.

WAL HILL, nursing a doctor's opinion that he will not be playing golf till June, may pay us a visit today. Wal is planning another trip to hospital in June - to be a bone marrow donor for his brother.

NEXT MONTH IS PRESIDENT'S DAY
