

F.O.L.

AUGUST 2003

WELCOME TO LEMON. DELLA DAY MK XVII. Last year Tony provided 23 trophies for a field of 25 players. This year he will be handing out 68 trophies to a similar sized contingent. He has split the contestants into 2 divisions 18- and 19+. There will be prizes for 1st and 2nd, Best Front and Back Nines, Long Drives and Nearest the Pins IN EACH DIVISION. There will be a prize for Best Scratch - the winner will be ineligible for 1st or 2nd prize in his division. Winners of 1st and 2nd prizes in each division will be ineligible for Best Front or Back nines.

Tony has been known to win his own trophy and - should this be the case today, he will divert his winnings into the raffle. So, if he wins his division (12 balls) or is runner up (6 balls) or wins a Front or Back Nine (3 balls) or a Long Drive (3 balls) and then jags a nearest the pin (1 ball), there could be multiple prizes in the raffle. KEEP YOUR TICKET as winning tickets will be placed back in the barrel - giving the holder a chance for every prize in the raffle.

VALE ROYLE JENKIN 1927-2003. Royle died on 29 July, 03 in Ocean View Nursing Home, Mona Vale, after a long illness. Royle, an active member of long standing, was President in 1974. It was during his presidency that the expression "Royle Avalon" was coined and has been carried on by all and sundry as Royal Avalon ever since. Bills Sheehan and Epps attended the funeral and met up with two old Lizards John Atkins and Peter Allen. Lizards sympathy has been conveyed to Royle's wife Venice.

RAFFLE #16 Geoff Warren

AIRIES Wal Hill, Glenn Castle, Dennis Castle.

Pres. Glenn, in preparation for his Airies ordeal, handed the LIZARDS to Bill Sheehan for safe keeping. Bill jammed it into his side pocket, with the tail smothering in fresh air. He then proceeded to conduct the Airies, with vigorous hand and arm movements. As the Choir reached a crescendo, the fickle finger of fate,

attached to a helping hand, snaked out from the seated sightseers and stealthily snarvelled the saurus! It was the first time since 1965, when Bill was president, that he had handled the LIZARD - and he lost it in 30 seconds.

CLUB CHAMPION, Michael Morgan, bagged his first win since last August with a tidy 38 points. He went to the top step of the dais again during the General Business end of the meeting, when the president ^{made} ~~on~~ his 3rd and final entreaty for a caterer to fill the bill for the Club's next meal. Michael waited patiently through the full period of defening silence and said "I'll do the catering for next month."

SOME MEMBERS, who have never catered for a day, have mentioned they are nervous to take on the task, after seeing Hart chastened, for a couple of months, for providing inappropriate food - which was in fact plentiful and very tasty.

GOOD TO SEE Andy Warner making his way to the pay window - his first since MAY 2000.

JOHN SURPLUS was issued with a lizard badge and 5c piece in June - but we haven't seen him since. Does anyone know of his current state of health?

BOB PAYNE visiting pro. from Mangrove Mountain had a relaxing day - playing off 5 he had rounds of 14 and 16.
