SEPTEMBER, 2003

WELCOME to WARNER DAY MXXV. Life Member Andrew has decided to do a Peter Sellers and fill the four major roles in today's play. He will be Donor, Caterer and Ring Master - by way of slipping the Custard Ball into the menu - and should any, or all of us, foot a put' rony, he will descend upon us like a lead Zeppelin, in the course of his Chief Dolkers franchise. It is refreshing to see such a resilient Lizard in action.

WE SHOULD keep in mind the words "What can I do for the Lizards" rather than "What can the Lizards do for me"

LEMON - DELLA DAY, with 22 members and 4 visitors, produced the following results:

Donor Garry Della split the players into 2 Divisions and provided the record number of 25 prizes to fill the bill. With only 23 of the attendance actually competing, it will be easier to list those who did not win a prize.

They were: President Glenn Castle, Donor Garry Della, Life Member Andrew Warner, Col Hacey, Chris Mooney and visitor Brian Ellis.

NOEL QUINLAN lobbed in the Shed after 9 holes with an incredible 25 points. On the second nine, while rehearsing his victory speech, in a sustained blow, he blew a gasket, the plug out of his rump and the drums out of his ears, and staggered back to the shed, after 18 holes,

having scored an additional 12 points.

CONGRATULATIONS to Gary Castle who celebrated his first win since joining.

THE HOLE-IN-ONE tin is getting heavy enough to weigh on our minds. Some say it is only on for the few good players - even though statistics show sprayers being miles ahead of the players. The instigator of the event plays off 27, and most of the 10 nearest the pin holes last month were won by the 19 and overs. The jack-pot competition is not compulsory, fundraising or fattening, but is growing in interest as the kitty swells.

THE 8-9 NOVEMBER PORT MARGARET expedition to Nifty Land is off the drawing board and into the 'How many shirts' stage. up to date information will be discussed at today's meeting.

FINES, some were:

John O'Meara

stating on the 9th tee "I am going to get a birdie" His tee shot narrowly missed a Ford Falcon on Barrenjoey Rd.

Chief Doherty

from 8 metres off the 12th green did play a magnificent sand iron, knocking his divot into the hole. His ball did not move.

Visitor Geoff Wade

did insinuate that our esteemed president was a "shit house" golfer

The President

for being a shit house golfer
