

# FLAT OUT LIKE

October 2003

WELCOME to CASTLE HILL PLATE DAY M.R.V. The day, over the years, is when abnormally high scores seem to be the norm. In 2000, Michael Harrison fired a round 3 under the card and won the day with 45 points off 6 handicap - the best round by a lizard since Founder Len List fired the starters gun on Day 1 in 1946.

TODAY President Glenn Castle is Donor, Caterer and Baggage man - having brought the prizes, food, drinks and ice, he will arrive early enough to setup the furniture in the shed and, at the conclusion of play, conduct the meeting. What a devilishly clever possum - what would we do without him; or better still - what are we going to do in the future to ensure this unfizard-like situation does not recur.

WARNER DAY, with 20 lizards and 4 visitors, produced the following results:
