WELCOME TO DAVE RAYNER (1958-1999) MEMORIAL DAY

It had been SMALL/RAYNER DAY prior to Dave's untimely demise in Jan, 1999. Jim remained sober and changed it to a memorial day for Dave - the GRIZZ. It is a day we can toast the irrepressible GRIZZ and remember the good times - like the day he jagged a hole in one and celebratory mayhem broke loose!

Hats off to Jim and the GRIZZ.

NOEL QUINTAN has been chalking up one win per year for the past 4 years. He got on the board earlier this year and put the chalk behind his ear - suggesting it might be used again before Christmas.

PHILIP BRANDON had no problem mowing down his fellow visitors with his brand new 36 barrelled gatling gun.

JIM SMALL, who had a leave pass for the day from Avalon, to attend to special duties at the Mangrove Mountain GC, must have set things straight at Mangrove early in the piece - then zoomed down to Lizards, scored a wild card entry into the Lindenberg, won his match and picked up the Beoc Scratch.

LAST MONTH Postie was given a bit of a write up, but there was no mention that he was just out of hospital; it was his 82nd birthday and the beginning of his 40th year as a Lizard!

THE 27th LINDENBERG COMPETITION is up and running. First and second reserves Jim Small and Andy Warner gained entry in place of John Surplice and Michael^{MORGAN}. Both won their match - and opens the door to Jim winning his 4th title and Andrew his 5th.
King of the Castles, the previous month was relegated to "dirty / cursed" status by knock out in the first round

THE RAFFLE: Dennis Castle won the bottle of white Heather and second draw for 2 cans of Bourbon went to Michael Harrison.

A BLAST FROM THE PAST: The 57 pointer off 36, by Sandy Armstrong in 1966, triggered a full blooded celebration by his fellow Lizards. Sandy had suffered a malfunction in one eye causing as many airswings as contacts. Having put up with this all his life, he succumbed to surgery and a lengthy lay off from his favourite game. On returning to the course he had ripped around the circuit 15 shots over the card!

TODAYS LINDENBERG DRAW, nearest the pins, long drives and handicap adjustments should be in the Late Final Extra overleaf.

NEXT MONTH is PRESIDENT'S DAY

Good Golfing.....
