**NOVEMBER 2006**

## Welcome to the Eighth Edition of the Morgan-Mooney Day

Michael & Chris both joined the Lizards in 1992 and between them have held just about every position possible on our committee. Currently our Treasurer & President respectively, they are also the day's caterers.

Well done gentlemen.

*CASTLE-HILL PLATE DAY*, with 19 Lizards and 3 visitors, produced the following results:

Garry Bird & David Gilchrist with 42 & 41 points respectively took the Lizards "Quinella". When our match committee discovered that they had played together in a two ball, their score cards & pencils were impounded for a thorough forensic

examination. Unfortunately, being a Sunday, all necessary testing equipment was unavailable & the only DNA profile obtained was limited to traces of sheep & sparrow. In the circumstances the result was left to stand.

David Tallis blitzed the visitor's trophy with a fine 41 points. His handicap of 40, however, brought into question his relationship with the handicapper.

Chris Lacey showed what a great golfing coach his father is by qualifying for the "funny hat" award with 19 points.

Chris Mooney, in a show of support for his predecessor Col Lacey, did the Presidential thing & donned the other "funny hat" joining Lacey junior for the singalong & chugalug.

Bill Sheehan once again showed that cooking is not his only area of expertise by winning a nearest the pin on the 13th hole with a shot that had to be seen to be believed.

Ian Massey was awarded an appropriately monogrammed cap during the course of the meeting. "Anchor" has promised that in future he will finish in the group he started with rather than the following group.

Jim Small, our esteemed Victualler, in a brazen display of dereliction of duty, forgot to bring the glasses for the downers. Unperturbed, he borrowed a set of "Yuppie" glasses from Vicki causing great distress to the non-Yuppie lizards who had to use them.

Hart Schwarz was requested by the day's caterers to obtain two half legs of ham for November's lunch. He queried this request by suggesting that he should get a whole leg of ham because it would be bigger. No wonder his mob don't win many wars.

I wouldn't be surprised if the crapper takes to his red pen in the lead up to the Morgan-Mooney day. Last month more than half the Lizards shot their handicaps or better with five of them scoring in the forties.

Since our last meeting the Lizards made their annual trip to Port Macquarie. Results of the golf played were as follows:

**Results of Lizards:

Obviously we were not well treated by the weather. The general consensus was that it was due to the absence of the President.
