MAY 2007

Welcome to President's Day (Semi-Final round of the 2007 Lindenberg)

Today is the penultimate event in our 2006/2007 season & a day we all get to say a special thank you to our "Esteemed President" for his guidance during the year.

In a contrast to last month, the day's winner was a quiet, unassuming, modest paragon of golfing etiquette. Our highly esteemed Chief Dobber turned the clock back to score his first win in four years shooting 42 points off his more than generous handicap. Rumour has it that our Crapper's generosity has just about run out.

Jim Small (the Dobber's driver) scored 37 points to beat Gary Castle & Chris Mooney on a count back.

The visitor's trophy was won in a canter by Brian Harris who finished with 35 points, 10 ahead of his nearest rivals Geoff Wade & Ian Hammer. Brian, your membership application is expected in due course.

The fight for the Lizard's Bradman downer was well contested with Glenn Castle, Ian Massey & Michael Morgan all shooting 24 points. As only he knows how, our Assistant Handicapper, Neil Winterton, shuffled the score cards & announced that Michael Morgan had won the Bradman on a count back (or a count forward if you prefer).

It was announced at the meeting that John O'Meara has offered to become the monthly donor of the Postie Memorial Day for future years. Thanks John.

Congratulations to Ian Massey who celebrated his seventieth birthday during the month. Someone suggested it took 85 years to happen.

For the information of our newer members, the Lindenberg Trophy was donated by Aub Lindenberg back in the days when the Lizards operated out of the Manly Civic Club. It was donated by Aub in the Memory of his late son to be played for by the Lizards as an annual event.

Your committee at the time decided that it should be conducted as a match play event & this format remains to the present day. Whilst his health permitted, Aub would attend our Annual Dinner to personally present this trophy because he believed that the Lizards played their sport in a way he would like his son remembered.

As you are no doubt aware, our Mangrove Mountain visit was cancelled due to the condition of the course. Your committee will be looking at rescheduling the event at our next meeting
