NOVEMBER 2007

Welcome to Morgan-Mooney Day Mk IX

Despite being members of the Lizards for 15 years now, Michael & Chris are still mistaken for each other by various factions in the club. This is understandable since they tend to arrive together, play in the same group and play at the same club (Gordon) on Saturdays. For everyone that still gets confused, it's easy guys – one of them has more hair than the other!

November brings us face to face with one of the annual novelty events – the Morgan Mooney Multiplier. Those thinking of partnering with a high marker in an attempt to maximise their score should be sure to weigh up the risk of the inevitable wipes.

CASTLE-HILL PLATE DAY, with 17 Lizards and 4 visitors, produced the following results:

PUTTING COMPETITION

Andrew Warner LM on count-back - **32** putts

Neil Winterton, stinging from all the recent criticism of his habit of manufacturing prizes so as to ensure he wins one, silenced his critics with a handy 41 points off his 14 handicap and notched up his first win since February 2005. There were no flashy 4 pointers in his round, just a succession of 3's and 2's and a complete absence of wipes. Hopefully the handicapper is not too unkind to him.

Col Lacey has been a regular visitor to the podium over the past few months, both as a winner and as a Bradman. This month saw him taking home a prize for the right reason. He was heard to mutter how easy it would have been if only the putts had been dropping, although his playing partners felt that he had his fair share of luck along the way. Well done Colin.

Per Edwards merely played to his handicap and snapped up the visitors prize in the process. Congratulations to Per as well as to the handicapper!

A special mention should go out to Ivan Tiltins for his effort in scoring 3 nearest the pins and a longest drive on his way to a very average total of 32 points. He must have been missing the same putts as Col.

Bob Paine had one of his better rounds at Lizards in a while scoring 38 points and picking up the best scratch score of the day with 29 points!

As mentioned in the opening monologue there is a special event today, the Morgan Mooney Multiplier. For the benefit of those new to this event it is played in pairs and scored on a special scorecard – these are available in the shed. For each hole you multiply your score with that of your partner and enter the result on the special card. e.g. if you score 3 points and your partners scores 2 you would enter a team score of 6. The trick of course is to avoid getting wipes as this will negate whatever score the other player has scored. Good luck to all participants!
