NOVEMBER 2008

Welcome to Morgan Mooney Day Mk X

Early in 1999 Michael Morgan & Chris Mooney were approached by secretary Garry Bird who stated "you guys have been members for a while now and we think it's about time you had your own donor's day – what do you think?" They accepted without too much fuss and thus was Morgan-Mooney Day born. Today we celebrate 10 years since that meeting. The two have introduced a number of innovations such as the team multiplier event and special prizes like monogrammed polo shirts and Crown Lager bottles. Thanks for your support gents, and may you continue to host the day for another 10 years!

PUTTING COMPETITION	Michael Morgan - 25 putts

Michael Morgan romped in with the highest score we've seen in nearly two years when Brian Ellis amassed 48 points! Michael thumbed his nose at the handicapper who, after docking him 2 shots prior to this round, felt that he had the matter under control. Not content with winning the day he also took out the putting competition with a record breaking 25 putts and 3 NTPs. This month sees Michael in 'A Grade' for the first time and all eyes will be on him to see how he handles life in the fast lane!

Michael Harrison scored a creditable 39 points, as did 2 other players. When he arrived in the shed and heard about Michael Morgan's score he was heard to say "What, you're telling me I only missed out on a win by 8 points?" At least his effort only cost him one shot this month!

Dennis Castle couldn't jump in his car and leave the course quickly enough after his paltry 22 point effort. He left it to his son Glenn to deputise for him in joining Adam Small in the Bradmans chorus. Coincidentally, Adam was having his second downer for the day after claiming the Visitor's prize!

Fines of the Day

Michael Morgan	Was very slow collecting money this morning. He kept Adam Small waiting for an eternity whilst he chatted to the dobber and ate his non Lizards pie.
Wal Hill	He brought a pair of golf men's shoes to Lizards today and said "I found these under my bed this morning and don't know who owns them or how they got there."
Wal Hill	Had 14 shots on the 8 th . He explained that he kept going so he could count his putts.
Adam Small	On the 3 rd tee looking over the "Bird Bath" did state "No way is this going in the water." He then had an air swing.
Harmut Schwarz	On the 1 st hole hit his tee shot to 5 foot. He wrote his name on the NTP marker and placed it where his ball was. The next group were called up. Hart then walked to Michael Harrison's ball which was off the green and tried to hit it on.
Michael Morgan	He walked into the shed after shooting 47 points today and said "Is it hot today or is it just me?"
