NOVEMBER 2010

Welcome to Morgan Mooney Day

Michael & Chris front up again for another round of Morgan-Mooney madness. As usual, the multiplier event will be running so grab your self a partner and pray like hell that he doesn't card too many wipes. There are some good prizes up for grabs including some nice ports that are at least 10 years old. In addition to their normal treasurer and editor duties, the guys have also provided the delicious food for today. Great work fellas!

CASTLE HILL PLATE DAY, with 16 Lizards and no visitors, produced the following results:

BRADMAN Lizards
PUTTING COMPETITION

Ian Massey - **26** points off **17** handicap
Brian Ellis - **29** putts

Strange as it may seem, Brian Ellis hasn't had a win since January 2009. It seems more recent that that – perhaps his run of 2nd places went for longer than we thought. In any case his 23 point back nine was just enough to edge out a not-quite-fast-enough finishing Michael Porter who had only managed a 21 point back nine.

In the absence of any visitors the handicapper and donors decided to award a 3rd place prize for the Lizards. In fact it was one of these very donors – Wal Hill – who walked up to collect the prize. Nothing like deciding the criteria after the race has been won!

Ian Massey returned after a break with a Bradman winning 26 points, a feat he has not achieved since his 27 pointer back in March '08. There aren't many regulars left that are yet to break their North Turramurra Bradman duck. Prominent names that *have* include Massey, Castle, Schwarz, Bird, Moran, Hill, Lacey, Warner & Wade.

Fines of the Day

Stretch	For having a practice round of golf each Wednesday thereby reducing the productivity of the Australian economy
Wal Hill	For holding a meeting while smoke from the BBQ was choking the members
Hart	"Credit Fine" for not being the first person fined today
Jim Small	For talking so much that his playing partners now suffer from industrial deafness

There are two things you can learn by stopping your backswing at the top and checking the position of your hands: how many hands you have, and which one is wearing the glove.
