**JUNE 2011**

## Welcome to Vice President's Day (Final of the 2011 Lindenberg & Father and Son Day)

It's often been said that the Lizards GC features more Castles than Disneyland, and never is this more evident than on Father and Son Day. A quick glance over the results for any month will invariably reveal a Castle or two at either end of the field! Today we farewell Gary Castle as our outgoing VP and prepare to welcome him back as our new President next month, subject of course to the vote at the AGM. While it would be fair to say that Gary's stint as Vice President hasn't been overly taxing we are looking forward to great things, perhaps starting with the transplantation of our November trip.

*PRESIDENT'S DAY*, with 17 Lizards and 1 visitor, produced the following results:

**1<sup>st</sup> LIZARDS**

John O'Meara - **41** points off a handicap of **16**

**2<sup>nd</sup> LIZARDS**

John O'Meara was a man on a mission last month. He came ready to play and despite what the fine sheet said he was never going to finish lower than 1<sup>st</sup> place. He turned on 20 points and then went one better on the back nine on his way to blowing away his Lindenberg opponent and the rest of the field.

Hart Schwarz considered himself unlucky on the day, telling anyone that would listen that he had done enough to claim the Lizards main prize. Unfortunately he hadn't read the above paragraph before opening his mouth. His last win was in September 2010 with 45 off 31. He then produced 41 off 24 for a second place in November. Somehow his handicap drifted back out to 30 which no doubt contributed to his being able to score 40 points last month!

Tim Lucas made a rare early morning visit to Lizards, sans his dunny-roll bong. Tim is a semi-regular at our away trips is not often seen on the 3<sup>rd</sup> Sunday of the month, in fact his last recorded result was in January 2006 where he picked up the Bradman in a field of 6 visitors with a somewhat respectable 29 points. Welcome back Tim, and don't leave it so long between drinks next time!

The Lindenberg semis have been decided and as revealed in the last FOL the final will be an all class affair. John O'Meara was always in control as he cruised to a 4&3 win over Chris Mooney, whose actual chances in the running remained mathematical at best. Ivan Tiltins had a much tougher time knocking over Michael Morgan with the result still in doubt as they stood on the 18<sup>th</sup> tee. Good luck to John & Ivan and may the best Lizard win.

### ***Final notice about cessation of printed FOL mailout!***

As notified over the past three months this will be the final mailed FOL. All country members should go to the website from now on to obtain the PDF version which is suitable for printing should you desire it. The printed version will still be available on match day of course.

|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| John O'Meara   | Did refuse to hand in his score card. He said he was waiting for other cards to come in to see what he had to beat                                                                                                          |
| Wal Hill       | Did lose three balls on the 17 <sup>th</sup> hole for a wipe. On the 18 <sup>th</sup> hole he lost another one but found one he previously lost. He substituted his found ball for his lost ball and did so without penalty |
| Michael Morgan | Did smash his putter at Gordon Golf Club last week in a fit of rage. He arrived at Lizards today with a state of the art brand new Odyssey putter                                                                           |
| Ivan Tiltins   | Did offer to act as victualler today but did nothing to prepare for the task, preferring to leave the job to Chris Mooney                                                                                                   |
| Wal Hill       | In the discussions about our northern trip commented "Nelson Bay is a 36 hole course. It would take too long to play it".                                                                                                   |
