NOVEMBER 2011

Welcome to Morgan Mooney Day Mk XIII

It's hard to believe, but it is just over thirteen years since Garry Bird LM approached the Morgan/Mooney twins with the suggestion that it was about time they start donating prizes in addition to regularly winning them. And so it is that Michael and Chris have found their way back from South East Asia just in time to provide a few trophies for those that are deemed worthy. As usual, the multiplier event will be running so grab your self a partner and pray like hell that he doesn't card too many wipes.

CASTLE HILL PLATE DAY, with 18 Lizards and 3 visitors, produced the following results:

1st LIZARDS

Brian Ellis - **42** points off **25** handicap

2nd LIZARDS

Dennis Castle - **41** points off **26** handicap

PUTTING COMPETITION

Gavin Moran - **28** putts

Displaying his dark horse properties once again, Brian Ellis eclipsed the field with a handy 42 points. Applying the same strategy as Des Hasler did with Manly last season of flying under the radar, Brian is hoping to maintain his form long enough to replicate his 2010/11 Club Championship success. Let's hope his coach doesn't defect to the 'Dogs.

After posting 37 points last month, Dennis Castle visited the podium for the first time in nearly three years with an impressive 41 points. I hope it was worth it Dennis – it cost you three shots!

Peter Kiely made a rare trek up from the Illawarra to snatch a visitors prize. His 39 point score was impressive given this was the first time he's seen the course. At the other end of the visitor's scale, Gavin Moran repeated his Bradman winning effort of November 2005, although he did score an extra point this time *and* took out the annual putting competition!

Vale David Gilchrist

1949 ~ 2001

(Norman) David Gilchrist, born January 12th 1949 lived for others. The Lizards, as part of his extended family, have been honoured to have him in our lives.

In May 2011, he was diagnosed with melanoma throughout his body and underwent surgery to remove what were thought to be the most dangerous tumours within days. Despite qualifying for a clinical trial and the next couple of months appearing to stabilise things, David passed away in late October 2011 peacefully in his sleep with family by his side.

He was the dearly loved husband of Penny, and Dad of Tracey, Shaun and Adrian. May he rest in peace.
