NOVEMBER 2013

Welcome to Morgan Mooney Day Mk XV

Has it really been 15 years since Michael Morgan & Chris Mooney were approached by secretary Garry Bird to put their names down for a donor's day?" They accepted without too much fuss and thus was Morgan-Mooney Day born. The two have introduced a number of special prizes like monogrammed polo shirts, Crown Lager bottles and monogrammed Lizards golf balls. Thanks for your support gents, and may you continue to host the day for many years to come!

November brings us face to face with one of the annual novelty events – the Morgan Mooney Multiplier. Those thinking of partnering with a high marker in an attempt to maximise their score should be sure to weigh up the risk of the inevitable wipes.

CASTLE HILL PLATE DAY, with 21 Lizards and 4 visitors, produced the following results:

PUTTING COMPETITION

Ian Massey - **30** putts on count-back

It's been over a year since Brian Ellis scored a win, but he's keen to make up for his poor effort in last year's Club Championship and has been getting some runs on the board. Peter Kiely would probably consider himself unlucky to lose on a count-back, but did he really sink every putt that was on offer?

Cameron Lawler has had 2 wins, a 2nd and a Bradman in his four starts at Lizards. Not a bad result – has anybody suggested he sign up?
