AUGUST 2014

Welcome to Captain Handicapper's Day

This is the seventh year that we've lined up at the first tee with handicaps dispensed by Neil Winterton. Be gentle on him today, but go your hardest for the remaining eleven months of the year! In addition to compiling our scores and distributing the prizes Neil does the hard yards in organising the courses and accommodation for our annual jaunt to Jamberoo.

Of course Neil is always at pains to acknowledge our most recent Life Member Manfred Wagner for doing all of the actual number crunching. Without his efforts on the keyboard ~~making-up~~ calculating the handicaps Neil would have nothing to distribute in the first place. Not to mention printing all the NTPs, Long Drives and Scorecards.

Thanks for all your hard work gentlemen!

EPPS/MEREDETH DAY, with 22 Lizards and 3 visitors, produced the following results:

1st LIZARDS		Garry Bird LM - 42 points off a handicap of 21
2nd LIZARDS		Rob O'Brien - 39 points off a handicap of 24

Garry Bird LM has been very crafty of late. Despite winning the Lindenberg in June, he managed to keep his score below 30 points thus protecting his handicap and enabling to step out in July and blow away the field with a 42 pointer! Let's see how well he flies under the radar this time.

David Leonard has now won four times as a visitor in the past 13 months. First up was in July where he had 35 off 30, followed by September where he had 44 off 30 (bit of a burgle there), June where he had 39 off 26 and finally July this year with 42 off 25. The handicapper still hasn't caught up with him!

Rob O'Brien had his first podium finish as a member with an impressive 39 points. Keep it up Rob.

Peter Hourigan turned up a bit unexpectedly for a game with the Lizards. His Bradman winning performance of 20 points was a welcome diversion for the group, as were his attempts to finish up the food scraps after lunch. Never let a burnt snag go to waste Peter!

Fines of the Day

Ian Massey	When he asked where the NTP markers were he had to be told that they're usually in possession of the first group. He was leading the first group
Dave Dunworth	Turned up before all Lizards had hit off
Stretch	Wore what looked like a burqa on the 15 th hole and was heard to ask his brother "Does my bomb look big in this?"
Dave Dunworth	On the 2 nd tee he waited until the group in front were 300m away before declaring "They are now out of range". He then duffed his tee shot 75m into the fence
Chris Mooney	On the coldest morning of the year was seen washing his hands with ice cubes
