**MARCH 2016**

## Welcome to Rayner Memorial Day

(Sponsored by Jim Small)

January 2016 marks the seventeenth anniversary of 'The Grizz's' passing. Today's event, sponsored by Jim Small, is held in his memory. Dave was one of the club's most consistent golfers, and claimed the Club Championship in 1992 and 1995. Dave was generally first in line when it came to "downers" & no doubt, he will be keeping a heavenly eye on the day's activities particularly when Jim calls for a toast in his honour.

*FOUNDATION / LIFE MEMBERS DAY*, with 21 Lizards and 5 visitors, produced the following results:

Well you could probably see it coming, but **Phil Lamplough** has scored his first member's win only a couple of months after his inauguration. Phil has always been the handicapper's darling as a visitor, but recently Manfred was heard to ask "what have I got to do to get this guy's scoring under control?" See today's handicap adjustments section for the answer.

**Michael Morgan**, has featured on the podium for the third time in the past five months, this time with a handy 41 point result. Not too shabby considering his recent for at his home club of Gordon. There must be something in the water up this way.

**Michael Soderborg** had his first win as a visitor in November 2013, and last month was his fifth. In that time his handicap has dropped from 27 to 18 – not bad. Think it might be time to join soon Michael?

**Jim Buckenham** had a fun day last month. He picked up 3 NTPs then handed in a card showing a front nine score of 2 and a back nine score of 18 giving a Bradman winning total of 20 points. His actual scores were 11 on the front and 21 on the back for a much more respectable 32 points. Must have wanted the extra beer!
