MAY 2016

Welcome to President's Day

(Semi Finals of the Lindenberg)

David Copeland, once the 'quiet achiever' of Lizards has found his voice during his ten-month tenure as President of our fine club. He's seen through a number of new memberships, the closure of our 'heritage listed' BBQ area, a couple of very successful away trips and best of all, he's kept the weather pretty much under control for the entire season.

He's also kept The Lizard safe, mostly by way of not bringing it to our monthly meetings! Not sure of this was the plan or a result of nefarious activity, but as long as it's handed over in one piece he's done his job. Thanks Dave for a great year.

POSTIE MEMORIAL DAY, with 19 Lizards and 3 visitors, produced the following results:

Kyle Wilson - **41** points off a handicap of **30**

Results of the Quarter Finals of the Lindenberg

John O'Meara	d	Phil Lamplough	3 and 1
Glenn Castle	d	Jim Small LM	7 and 6
Gary Castle	d	Wal Hill	5 and 4
Michael Porter	d	Rob O'Brien	1 up

Kyle Wilson has let his handicap drift since his last win in August last year. After dropping out of the Lindenberg he decided to take advantage of the drop in pressure that that brings, loosened up and blew the field away by 3 points. His 41 points will probably see his handicap return to its normal level.

Another handicap drifter has been **Neil Winterton**. Despite a steady stream of success at his home course of Warringah, his Lizards handicap has blow out by 4 shots to 17 since his last win here in April 2015. And he was another Lindenberg casualty, so following Kyle's lead he relaxed and picked up 38 points.

David Leonard was the best of an average bunch of visitors on the day, limping into first place with 34 points. This was some way short of the 40 points he scored off a similar handicap the same time last year, but it was still a safe 17 shots clear of the visitor Bradman, picked up once again by **Mark Thurgood**.

Dates to Remember

We cannot get onto North Turramurra on 17 July – some special event is on or something. So we decided to move it to **Sunday 24 July**.

Neil is trying to organise the AGM for Tuesday night 5 July at Balgowlah RSL – Save the Date!

GORDON: Medal A: P Robson (12) 64 cb. B: J Thomson (16) 59. C: M Morgan (22) 49. Scr: P Waddell 67 cb.

Michael Morgan put in a super effort last week in the Gordon Golf Club Senior Championships, coming in with a net stroke score of 49!

Fines of the Day

Peter Simmonds	Wearing a body shirt to Lizards
David Leonard	Did describe how when hitting a shot through the trees it was important to hit the correct branch waving in the correct direction in order to slow the ball correctly
Stephen Hill	For correctly describing Dave as a wanker
David Copeland	Using the family pram as a golf buggy
David Copeland (Jamberoo)	Poor organisation. When Garry Bird LM arrived at Jamberoo in the silver rolls Royce his usual motel suite was not available. He had to lodge with the common folk in the public house
Wal Hill (Jamberoo)	Arrived at Jamberoo with a tick infestation secreted upon his person. Upon accepting a generous offer to room with Garry Bird LM he proceeded to download his insects upon the furnishings
Ivan Tiltins (Jamberoo)	Outdoing the village idiot. He was seen knocking on doors peering through keyholes and rattling keys until 2am Saturday.
Ivan Tiltins (Jamberoo)	For being cut off at the pub on Saturday morning before the bar had even opened
