SEPTEMBER 2017

Welcome to Warner Day

Today marks 8 years since we moved on from Royal Avalon – what better way to celebrate than enjoying some warm spring weather on Warner Day. Andrew has been responsible for more ‘donations’ to the club by way of fines than anybody else. Long-time members are still regularly surprised by the originality of some of these fines although poor health has restricted his visits of late. Today we also remember Andy’s father Harry, another club stalwart who is sadly no longer with us. Lastly it is also the day that sees us letting down our hair a bit by having some fun with the Custard Ball event.

CAPTAIN HANDICAPPER’S DAY, with 18 Lizards and no visitors, produced the following results:

1st LIZARDS			Gary Castle - 35 points off a handicap of 29
2nd LIZARDS			Glenn Castle - 33 points on count-back off a handicap of 32

The **Gary Castle/Glenn Castle** 1-2 finish had the historians racing to the archives to confirm that this was the first time we’d seen a Disneyland Dais. We can confirm that it has not happened since at least 2002 which is as far back as our electronic records go. What are the odds of both brothers firing on the same day? We’ll leave that question to the philosophers.

In a day that lacked visitors our Captain/Handicapper Neil Winterton decided to award a rare “3rd in Lizards” prize, which was gladly accepted by **Garry Bird LM**. He played consistently in the difficult conditions with a 17/16 score.

And in another result for the record books, after celebrating winning the Lindenberg in August (perhaps a bit too much) **Ivan Tiltins** picked up the member’s Bradman prize for the first time in his Lizards career. He offered no excuses for his paltry 22 points, but I can tell you that there has been brisk business from his golfing colleagues wanting to get their hands on a copy of the photo of him wearing the silly hat.

Special thanks go out to **Neil Winterton** for turning up to host Captain Handicapper’s day despite be unfit to play due to a recent operation.
