NOVEMBER 2017

Welcome to Morgan Mooney Day

The eminents Michael and Chris are today's donors and were famous for their frequent catering skills in the 90's. Chris ended a period of hand written Flat Out Likes when he put them into black and ink in May '04 – then added colour photos in December '04. Michael Morgan has spent many years as Treasurer, a seat he still occupies on occasions when Ivan can't make it.

The annual Morgan/Mooney Multiplier is up for grabs again. What does it take to win? Anywhere between 73 and 134 points if history is any guide. Why not ask Garry Bird LM, he's won it three times!

CASTLE HILL PLATE DAY, with 22 Lizards and no visitors, produced the following results:

PUTTING COMPETITION

Neil Winterton - **30** putts

Neil Winterton LM has obviously worked the system out. Over the last year and a half he's averaging 1st or 2nd place once every three months. Not only that, his handicap rarely moves, and it's averaged 17 over the period. It's just as well not everyone can do this – we'd run out of prizes! Neil also jagged the annual putting competition with a score of 30.

Our second place-getter **Michael Morgan** cannot lay claim to the same record, in fact he's only had two podium finishes in the same period. And his handicap has blown out proportionally. Nice to see he can take advantage of it once in a while.
