OCTOBER 2018

Welcome to Castle Hill Plate Day

Wal & Stretch would like to welcome you to what is sure to be another successful edition of Castle Hill Plate Day. While both gentlemen successfully contribute to the smooth running of our monthly events – Wal with his breakfasts and Stretch with the grog & Hole-in-One comp - you can never be sure exactly what you'll get from either.

Wal has recently taken on more of the beer delivery duties and implemented an interesting method of sharing the workload with the troops. Just wait until someone forgets to bring their assigned beer back!

WARNER DAY, with 14 Lizards and 2 visitors, produced these results:

CUSTARD BALL WINNING TEAM

Greg Mooney, Peter Kiely, Chris Mooney & Michael Morgan with **34** points

Michael Morgan produced a strong 25 point front nine, which propelled him on to complete the day with 43 points. Michael's form has been good of late, but this was his first win in over 2 years. Well done Michael!

Ever the North Turramurra bridesmaid, **Dave Dunworth** had reason to believe that his 42 points would finally be enough to break his duck at this course. But it was not to be. Even a strong 23 point finish was not enough to overcome his hoodoo.

Greg Mooney has been keeping the handicapper busy just trying to make him competitive, but he hit back today. Getting his game together and capitalising on some putting drills saw him come in with a healthy 47 points, comfortably beating **Nigel Goddard** (31 points) for the visitor's prize.

Greg also figured in the winning Custard Ball Team, alongside **Chris Mooney LM**, **Michael Morgan** and **Peter Kiely**. These four happy Lizards each took home a bottle of port for their efforts. Well done gents!

Garry Bird LM is a member of a group on Facebook - Lost Manly and Northern Beaches. There was a post there from a Brian Neal of Batemans Bay looking for pics of the Lizards Golf Club in the 50 & 60's, particularly of a Tom Beer who was his father. Seems he had very few pics to remember him by and was taking a long shot by posting on Facebook. So Garry replied that he may be able to help as he remembered the Beer name from our records (who wouldn't). Our book - the Lizards First Thirty Years has various images of "unknown" members so he scanned these at high resolution. He initially tried to post on Facebook but the file size was too big so he then messaged Brian and got a hold of his email address and then sent the pics that way. The next day he replied to the email that he and his family had identified their father Tom in one of the photos, enjoying himself in the time honoured Lizards fashion. Said his father had passed away at the young age of only 52 in 1972 and that the family were very pleased to now have such a happy image to remember him by.
