It seems like **Eddie Nguyen** has been around long enough to pick up a few wins, but you may be surprised to find Feb was his first win as a member. He has had a couple of second placings as well as picking up a few visitor's prizes. He made damn sure of it this time with his 45 points!

Keith McDonald only just pipped **Michael Porter** for second place. When they handed in their cards it was apparent that things were tight – 40 points each made up of 22 on the front and 18 on the back nines respectively. Captain/Handicapper Michael Morgan had to move to the next stage of the countback system – the final six holes. Keith had 13 points and Mick had only 11, so the victor was decided.

New visitor **Peter Murphy** had a strong game in his first visit to Lizards, scoring 37 off 22 handicap. He was also a willing participant in the recent Jamberoo trip and racked up 32 and 38 points on the two days that were played.

The club celebrated 75 Years of Lizards existence last month to coincide with the 30 years celebrations held in February 1977. This is a marvellous achievement for a social golf club. President **Garry Bird LM** arranged commemorative wines and ports for the members, and even made a batch of Kordi Juice which wasn't half bad. If you don't know what Kordi Juice is check out the archives section on our website.

Fines of the Day

Stretch

Arranged for his wife to take him home from The Lizards "Back to the Steyne" day only to go by Uber with his brother, only to discover that she was in Manly waiting. Obviously, the golf course is the only chance he has of scoring in the foreseeable future

Garry Bird LM	Gave the Dobber a warm Crownie for breakfast then stole the Editor's beer
Eddie	Referred to his playing partner Ian Massey as "the old bloke" when he's only 84
Kyle Wilson	Looks like missing the Jamberoo trip for a romantic weekend on the Gold Coast. He was heard strenuously denying Mohammad the Uber Driver was involved
Chris Mooney LM & Peter Kiely	Putted in unison on the 14 th . Chris' ball went in from 30 ft and PK from 10ft at the same time
