OCTOBER 2022

Welcome to Castle Hill Plate Day

Wal & Stretch's Castle Hill Plate Day has been contested every year since the turn of the millennium. In that time, we've seen several multiple winners but none can eclipse the record of **Brian Ellis** who's hit the pay window a total of 4 times, the most recent being in 2020!

Our donors have both been in the wars over the past 12 months; Wal with his knee replacements and Stretch with his broken leg. But both are now back in peak shape and hopefully peak form.

KYLE & ROBBIE O'S CUSTARD BALL, with 25 Lizards and 2 visitors, produced the following results:

1st Lizards	Jim Buckenham - 42 points off a handicap of 23
2nd Lizards	Sean Milliss - 38 points off a handicap of 25
1st Visitors	Brendan Ayres - 34 points off a handicap of 22
Best Scratch	Chris Mooney LM - 14 points off a handicap of 23

Results of the Finals of the Lindenberg

John O'Meara d Pat Byrne 19th

After last month's attempt at running the meeting after having consumed 12 beers, **President Jim Buckenham** decided to try a new approach. He still had the 12 beers, but this time he switched to Heineken 0.0 alcohol beer. This made the world of difference. Not only did he score a clear win with 42 points, but most of the members were now able to follow what he was saying at the meeting! No reports on whether he enjoyed the sobering brew.

Sean Milliss has had a great run of form of late. He's clocked up a second in June, a win in July and another second in September. The only blot on his copybook was in August. Apparently, this was not the only blot he experienced that day, with his sudden disappearance from the round of golf being blamed on an untimely movement of some sort!

The 2022 Lindenberg finally came to a conclusion this month. Second in length only to 2021's October finish, this much delayed encounter featured **John O'Meara** and in his first appearance, **Pat (M'groin) Byrne**. And it was worth the wait with the two competitors unable to be separated until the 19th hole. In the end experience won through and we congratulate **John O'Meara** on his third Lindenberg win, the other two being in 2000 & 2011.

Finally, we must also acknowledge the winning Custard Ball team of **Ivan Tiltins**, **Keith McDonald** and **Wal Hill**. Wal's been away from the game for some time getting his aforementioned knees replaced and was looking to reduce his handicap. This is unlikely looking at his Bradman result, but he obviously contributed when it counted and he was just as surprised as the other two when they were announced winners!

Fines of the Day
