DECEMBER 2023

SEASONS GREETINGS

President PETE MURPHY would like to wish all members & visitors

A VERY MERRY CHRISTMAS

And a warm welcome to Christmas Carroll Day

Our Christmas event has been named for **Dawson Carroll** since he first sponsored the day back in December 1988. With an eagerly contested trophy it often sees some high scoring. Best of luck today to all in this milestone event!

Today is also when members and visitors "Bring a Gift" and "Receive a Gift". If you have arrived with nothing to place in the 'present pile' you may like to avail yourself of some merchandise from the Pro Shop.

Winners of the Stableford Multiplier Competition:

Milton Went and Brian Ellis **82** points

The course was in fairly good condition and **Pat Byrne** took full advantage, backing up his second-place last month with a repeat of his 40 point score. This time it got him over the line, edging out **Rob O'Brien** on 39 points. **Michael Morgan LM** was the perfect host by making sure he did not feature in the prizes.

All smiles...well, the front row anyway

A regular feature of Morgan/Mooney Day is the multiplier event. This year it was taken out by **Milton 'Monsta' Went** and **Brian Ellis**. With the pair each scoring 37 points and some consistent scoring they brought home a convincing 82 points. Well done gents, and we hoped you enjoyed the beers.

A solid visitor turnout saw some fierce competition, with **Mick Borton** taking out the top prize with 35 points just beating **Joseph O'Meara** on 34. Joseph picked up the MITM prize so all was not lost. Visitors, you are all very welcome and we hope to see you back soon!

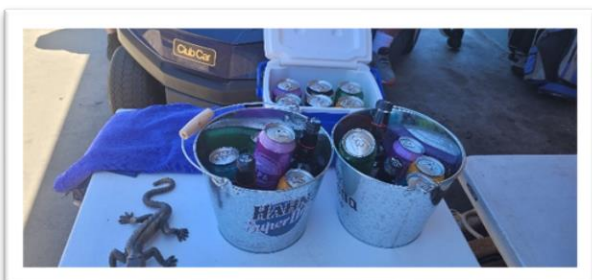

A thirsty winning visitor

LIZARDS GOLF CLUB
THE DAVE TREHARNE BRADMAN TROPHY
1967

NOW SHOWING

Our resident archaeologist John O'Meara has returned an ancient Lizard's relic to the club. An online purchase of some pewter containers for his grandson's school project led to John heading for the rubbish with the leftovers... when what caught his eye but the engravings on a pewter mug, a Lizard's Bradman Trophy from 1967 – what will he find next!
