JUNE 2024

Welcome to President's Day

(Semi Finals of the Lindenberg)
(Father and Son Day)

Peter Murphy took on the position last July and has been an active and innovative President throughout his tenure. With the introduction of the Man in the Middle prize, extra goodies on the trips away and Hawaiian shirt days (**including today**).

Pete is an "ideas man" – often those ideas involve Pete shouting drinks, late nights and sore heads for other Lizards. Many thanks for your enthusiastic leadership Pete and enjoy being the IPP!

Another great golfing day, cool but sunny, saw the Lizards enjoy some competitive golf including three Lindenberg quarter final matches.

In the end, it was an all Raso affair on the scoreboard with **Frank Raso** leading the field home - edging out brother **Ric Raso** on a count-back with both scoring 37 points. That gets the Raso's to two Lizard wins apiece but who's counting?

With our President indisposed, Vice President's day was brought forward to May and VP **Pat Byrne** chaired his first meeting and did a bang-up job! Of course, he received plenty of quality advice and so is now fully prepared for the Presidency.

A winner's thirst – through to the Semi Finals

Fines of the Day

Ivan Tiltins	Arriving in an orange BMW and waving at fellow Lizards in a condescending manner
Kyle Wilson	Brought a club today labelled "The Ivan Killer" (unfortunately it was not used to its full potential)
Ivan Tiltins & Michael Morgan LM	Each addressed Mark with the name of "Matt"
Mark Pearson	For answering both times to the name "Matt"
Kyle Wilson	Was accused of being "a loose nut"
Mark Pearson	Complained that the BBQ food was burnt – it is well known that Lizards' food is cremated

ODE TO A LIZARD

The horse and cow live thirty years
And nothing know of wine or beers;
The goat and sheep at twenty die
And never taste of scotch or rye;
The sow drinks water by the ton
And at eighteen is nearly done;
The dog at fifteen cashes in
Without the aid of rum or gin;
The cat in milk and water soaks
And then in twelve short years it croaks;
The modest sober bone-dry hen
Lays eggs for years and dies at ten;
All animals are strictly dry
And sinless live and quickly die;
But sinful rum-soaked men
Survive for three score years and ten;
And some of us, the mighty few
Stay pickled till we're ninety-two!

Some poetry from the FOL Jun-1969

Ivan, he's behind you!
