Winners of the Custard Ball Competition:

Keith McDonald, Ivan Tiltins LM, Michael Morgan LM and Chris Mooney LM **31** points

The September event saw cool temperatures and some serious wind about – fortunately that blew any rain clouds away – but made for very challenging conditions.

Les Gorton took to the windy weather, trumping the field for his first win as a Lizard with 37 points, edging out reigning Club Champion **Ric Raso** on a count back.

The conditions contributed to the fact that only one team returned with the bright orange custard ball – after some thorough interrogation, fingerprint analysis and DNA sampling the winning team were awarded – well done on a solid 31 points.

Congrats Les!
